

YEAR 10 SPEECH AND DRAMA

You can create a performance using the following options:

Acting in Pairs

Grade 4

- 1) Perform from memory, a scene from a play written in a colloquial style (non naturalistic)
- 2) Perform a scene developed through improvisation featuring the same characters as those in task one
(Maximum 16 minutes)

Group Drama Devised

Grade 4

Perform a scene developed through improvisation based on a newspaper or magazine article. Source given to the examiner before starting
(Maximum 16 minutes)

Performing Arts in Pairs

Grade 4

- 1) Two contrasting performance sequences incorporating at least two performance skills (12 minutes approx.)
- 2) A discussion with the examiner about the context and possible alternative approaches to the work presented, the two candidates making an equal contribution

Group Performing Arts

Grade 4

- 1) A presentation that includes at least 4 performance skills used substantially. The presentation may be either the whole or part of a group devised or published work, performed from memory.
- 2) The performers should briefly introduce themselves and the presentation at the beginning. The examiner may ask some questions.
